

“The PANAS Tiffin Experience”

More than a meal, this is a journey back to childhood!

Inspired by the traditional tiffin boxes that carried homemade food from kitchen to school, workplace, and family gatherings, our Tiffin Experience celebrates the warmth of sharing food, stories, and memories around one table.

Presented in beautifully crafted tiffin carriers, each course reveals a carefully curated selection of dishes that showcase the rich flavours, traditions, and heritage of Nepal and India. Designed to be enjoyed together, the experience encourages guests to slow down, share, and reconnect, just as families have done for generations.

To maximize your dining experience, this menu must be ordered by each diner at your table.
